MONONGAH GLASS DEFEATS WATSON

Game Was Hardest Fought So Far in City League Schedule.

In the hardest fought game yet played in the City League of the Monongah Glass baseball team defeated the fast Watson building team at South Side park Saturday afternoon by a 4-3 score.

The rain interfered with the playing of the first game between the Monongah Glass and the Watson building team being necessary to call this game at the end of the sixth inning. The box score follows:

WVU BASEBALL VETS PLAY WEDNESDAY

Annual Contest Expected to be Particularly Interesting This Year.

MORGANTOWN, June 16—One of the biggest events of a commencement that is proving to be the most largely attended for years is the annual Alumni-Varsity baseball game scheduled for Wednesday afternoon of this week at three o'clock.

For a long period of years these annual games have been staged and the margin of victory has been with the Varsity in most cases the contests nevertheless have been among the best of the whole year and with the lineup Manager J. H. McDermott of the Alumni team has secured for Wednesday a hard fought contest is assured. Much interest attaches especially to the appearance of "Skeeter" Shelton, the Varsity coach in the lineup of the Alumni.

Mannington Loses Game With Carolina

Mannington dropped a fast and interesting game to Carolina on the latter's grounds yesterday afternoon by the score of 5-2.

Rain Stopped Tie Game at Clarksburg

With the score tied 7-7 at the end of the seventh inning the baseball game at Clarksburg yesterday between Idamay and Clarksburg, a down-pour of rain made it necessary to call the game.

IT'S POSSIBLE FOR A LITTLE MAN TO GET TO JESS WILLARD

Champ Lets Hemple Do It But He Will Try to Keek Off Dempsey.

By FRED TURBYVILLE. N. E. A. Sports Editor. TOLEDO, O., June 16.—There have been reams and reams written about

Jack Dempsey's pile-driving lefts and rights, one-round knockouts, etc. There has been no less written about Jess Willard's size. But more important than either of those elements, it seems, is Jess Willard's size—whether Jack Dempsey will ever be able to get to him or not.

This seems to have been the chief worry in the Dempsey camp ever since Jack and Jess were signed for a championship tilt. While Dempsey was on the road, touring from one state to another in one-night stops, he had Dan Daily, a big white heavyweight of Willardesque proportions. And after training proper was started at Toledo Dempsey enticed Bill Tate another giant but of brunet complexion, to spar with him.

Baseball Team to Have a Lawn Fete

The Monongah Glass baseball team is arranging to have a lawn fete at South Side park next Saturday evening, the proceeds going to the baseball team.

The committee in charge is arranging for a good program and all who attend are assured of a good time. The public in general is invited.

Good Game to Start City League's Week

Another good game in the City league is expected at South Side park this evening when the West Virginian and Mining Machinery teams clash.

The West Virginian team has been strengthened considerably since its last game and will be all set to give the machinists an interesting game. Other games this week follow:

Tuesday—Monongah Glass vs. Stevenson's.
Wednesday—Watson Building vs. West Virginian.
Thursday—Mid-West vs. B. & O.
Friday—Stevenson's vs. Owens.
Saturday—Mid-West vs. Monongah Glass; Watson Bldg. vs. Mining Machinery.

Mr. and Mrs. T. D. Connell and children are in Connellsville, Pennsylvania, where they were called by the illness and death of Mrs. Connell's father, John Reynolds. They went to Connellsville a day or so before the death of Mr. Reynolds occurred. The latter had been ill for some time.

Champions and challengers like to pretend. They like to get a near-likeness of their opponent in the ring with them and study out a campaign for the day of the bout. Jess is doing it with Jack Hemple, Dempsey size, and Dempsey is doing it with Bill Tate, Willard size.

As Tate is almost the same size as Willard, so is Hemple almost a counterpart of Dempsey in size. Dempsey and Hemple both weigh 195. Both stand slightly over six feet. Both are maulers. Hemple doesn't claim the mauling powers of Dempsey else he would be a challenger today and not a sparring partner.

Nevertheless, he is a good tough boy, can hit hard and can step through a rough session with the champion whenever he is called upon to do so. He is fast, not as fast as Dempsey, but still very fast. He can hit, not as hard as Dempsey, but still very hard. He carries the fight to his opponent in Dempsey style.

Sometimes Jess allows him to hit him at will just to see how it feels

Sport Chatter

By The Onlooker.

"Charley" Long, star twirler for the Monongah Glass baseball team, took suddenly ill about 10 o'clock while working at the Monongah Glass plant. He was later carried to his home, but realizing the importance of the Monongah Glass-Watson Bldg. game in the afternoon he was on the field warming up when the clock struck two. He was sent into the game and pitched excellent ball throughout.

Was worth a dime to see Walter Barrington play with the Watson building team Saturday.

"Bus" Aldrede was back in the game Saturday, after being laid up for several days with an injured ankle.

Fans who saw that McConkey-Consumer game at Blackshere park yesterday had a rare treat.

"Pat" Simon, first sacker for the Watson Bldg., made one of the prettiest catches in the game Saturday that has been made at old South Side for many a day.

Sypult made a sensational throw in the fourth from deep center cutting off McDougal at home after Jackson had singled.

Some say that the rain was the only thing that won the game for the Monongah Glass.

and see how hard a smash he can take. Then, too, Hemple hits him when the block is up. Maybe Jess isn't displaying the same sort of defense he will against Dempsey. Maybe Dempsey won't be allowed to hit him so often. The champion probably will keep his chin covered up when the young challenger begins swinging those wonderful haymakers.

Fans who know Jack Hemple and Jack Dempsey are the same size are taking great interest in the work of Willard with his junior sparring partner. Then they run down to Dempsey's camp and watch him box with Bill Tate.

And after it's all over there is many an argument over the relative merits of the champ and challenger.

Mid-West Box Team Has New Uniforms

In the game determined to strengthen themselves and make a good showing the Mid-West Box company baseball team has been equipped with new uniforms. The uniforms are blue bearing the letters "Mid-West" across the front of the shirt in white letters.

The Mid-West team is the first to receive their new uniforms. Many of the City league teams are planning to get new equipment but the Mid-West team is the first to do it. Because of the rain Saturday afternoon they did not get to appear against the Stevenson team.

Disappointments in Colored Ball Games

Because the Clarksburg colored baseball team blew up, neither of the two colored baseball games were played in the county over the week end.

At the last minute Clarksburg cancelled with Zanesville, O., making it impossible for that team to appear at Traction park against the Fairmont Unions on Saturday. Clarksburg was scheduled to play the colored team from Monongah on Sunday but the Harrison county team failed to show up.

The Fairmont Unions and the Monongah colored team played at Traction park yesterday afternoon, the Monongah team winning by a 5-4 score.

ONE-NOTHING GAME AT BLACKSHERE

Consumers Fuel Team's Victory Witnessed By 500 Fans.

One of the best games of baseball which has been played at Blackshere park in years was witnessed yesterday by some five hundred fans when the renowned McConkey baseball team from Wheeling dropped a 1-0 game to the Consumers Fuel company nine.

The Consumers team scored one run in the fifth inning and this was the only run scored by either team in the whole game. From the very start the game was a pitchers' battle between Smith and Burkhardt, the latter allowing two hits and the former three safeties. A feature of the game was the airtight fielding of both teams, but one error being made in the whole game.

Besides getting both of the Consumers hits Marshall, right fielder made one of the sensational plays of the game when he threw out Bell at first base after the latter had singled safely to right field. H. Gardner made a sensational catch of a long drive off Smith's bat and this play also was one of the many fielding features of the game.

The McConkey team played a fine game and fought hard throughout the contest. The score:
